EDI GLN Overview

Global Location Numbers for vendors shipping to Amazon EU

Physical address details for standard ship-to locations from [section 1a](#) are available in the **Vendor Manual*** and should be set up as part of your integration to be ready to process purchase orders to these warehouses.

Physical address details for optional ship-to locations in from [section 1b](#) should be provided by your Vendor Manager or Instock Manager. These are optional warehouses, so you only need to configure them if you are specifically requested by Amazon.
